PostgreSQL

AWS

Education

Stanford University

09/2019 - 06/2023

Bachelor of Science in Computer Science

- Machine Learning
- Data Structures and Algorithms
- Computer Networks
- Database Systems
- Artificial Intelligence
- Web Development

Experience

Google

06/2022 - 09/2022

Software Engineering Intern

- Developed new features for Google Cloud Platform
- Improved performance of distributed systems by 25%
- Collaborated with cross-functional teams on product launches

Meta

06/2021 - 08/2021

Software Engineering Intern

- Built internal tools for data analysis and visualization
- Optimized React components reducing load times by 40%

Projects

AI-Powered Chatbot

01/2023 - 05/2023

Machine Learning Artificial Intelligence

- Built a conversational AI chatbot using natural language processing
- Integrated with multiple messaging platforms including Slack and Discord
- Deployed on AWS Lambda with 99.9% uptime

E-Commerce Platform

06/2022 - 12/2022

Web Development Database Systems

- Developed full-stack e-commerce application using React and Node.js
- Implemented payment processing with Stripe API
- Designed and optimized PostgreSQL database schema

Social Media Analytics Dashboard

01/2022 - 05/2022

Data Structures and Algorithms

- Created real-time analytics dashboard for social media metrics
- Processed over 1 million data points daily
- Built RESTful API with rate limiting and caching
